8. Lot specifications. (Area, Frontage, Setbacks)
The area, frontage and setback requirements in the applicable zone shall apply, whenever no specific areas frontage and setback requirements are specified in provision for specific conditional uses;

Provided the Board of Zoning Appeals authorizes the waiver or modification of certain requirements as necessary to achieve compatible development with adjacent land area, as well as in the interest of the community in general.

The specific standards shall be used in conjunction with other Standards, as required in the respective zoning district in which the conditional use is proposed.

      Whenever a permit is authorized by the Board.

C. Variances.

1. There are two types of variances, which the Board of Zoning Appeals may grant: an area variance and a use variance.

   The factors to be considered by the Board of Zoning Appeals differ for the two types of variances.

   a. Area Variance.

      An area variance is a departure from the provisions of the zoning resolution usually relating to:

      Frontage/lot width,

      Height,

      Lot size,

      Setbacks, and

      Side yards.
These variances relate to the physical characteristics of the property.

Strict enforcement of the zoning requirements for the specific lot would present “practical difficulties”, basically making the property unusable.

b. Use Variance.
A use variance involves the development, or conversion, of land for a use not permitted in the specific zoning district.

The factors or standards applied to a use variance are those related to the concept of “unnecessary hardship.”

A use variance must not be contrary to the public interest and the Board of Zoning Appeals must insure that the spirit of the zoning resolution is observed.

In other words, the use requested is consistent and harmonious with the existing uses.

Summary
In either type of variance request, the variance, as granted, shall be the minimum variance necessary to accomplish the reasonable use of the land or building.

The granting of a variance runs with the land, and is not approved for the present landowner only.

A variance from the terms of the Ordinance shall not be granted by the Board of Zoning Appeals unless and until

A written application for an variance is submitted to the Zoning Administrator and the Board of Zoning Appeals containing:

a. Applicant’s Property Owner(s)’ name(s), address(es), and phone number(s).

b. Legal description of property.
3. Public Hearing by the Board of Zoning Appeals.
The Board shall hold a Public Hearing within twenty (20) days from the receipt of a completed variance application.

Before holding the Public Hearing, notice of such hearing shall be given in one or more newspapers of general circulation in the Village at least ten (10) days before the date of said hearing.

c. A list of property owners, including tax mailing addresses,
   Within,
   Contiguous to, and
   Directly across the street from
   The parcel for which the variance is requested.

d. Description of the nature of the variance requested.

e. The completion of the Finding of Fact for a variance application.
The notice shall set forth the time and place of the Public Hearing, and the nature of the proposed variance.

5. Notice to property owners.
Before holding the public hearing, the following shall occur:

a. Applicant (owner) will provide a list of current property owners that are contiguous to, across the street or alley from the applicant’s property.

b. Property owner’s name(s) and address(es) to be secured from the Ottawa County Auditor’s records.

c. Mailing address(es) shall be the tax mailing address(es) on file with the Ottawa County Auditor’s Office.

d. Applicant to present the names and addresses and accompanying map to the Zoning Administrator or his or her appointee.

e. Copies of all documents relevant to the case shall be maintained in the case file in accordance with Ordinance 53-08 Public Records Policy.

Once the items above are received, along with a Completed application, written notice of such hearing shall be mailed by the Board,

By certified mail

At least ten (10) days before the day of the hearing

To all property owners within, contiguous to, and directly across the street from the parcel for which the conditional use is requested.

a. The applicant shall be notified in writing of the board’s decision.
decision and the finding of fact(s) which were the basis for the Board’s determination.

b. A certified copy of the Board’s decision, including all terms and conditions, shall be transmitted to the Zoning Administrator and

Shall be binding upon and observed by him/her.

c. The Zoning Administrator shall fully incorporate these same terms and conditions in the permit to the application,

Whenever a permit is authorized by the Board.

7. Lapses of variance. A variance, once granted, shall not be withdrawn or changed unless

There is a change of circumstances, or

If, after the expiration of six (6) months, no construction has taken place in accordance with the terms and conditions for which said variance was granted.

The Zoning Administrator shall give a notice in writing of the lapse of the variance, and

Thirty (30) days thereafter the variance shall be deemed null and void and all regulations governing said premises in question shall revert to those in effect before the variance was granted.

D. Appeals
Appeals shall conform to the procedures and requirements of this Ordinance.

1. The Board of Zoning Appeals shall have the power to hear and decide applications for appeals in accordance with the provisions of this Zoning Ordinance.

2. Appeals to the Board of Zoning Appeals concerning interpretation or administration of this Ordinance may be taken by any person aggrieved, or by any officer, or bureau of the
legislative authority of the Village, affected by any decision of the Zoning Administrator.

a. Such appeal shall be taken within twenty (20) days after the decision, by filing with the zoning Administrator and with the Board of Zoning Appeals, a notice of appeal specifying the ground upon which the appeal is being taken.

b. The Zoning Administrator shall transmit to the Board of Zoning Appeals all the papers constituting the record upon which the action appealed from was taken.

An appeal stays all proceedings in furtherance of the action appealed from, unless

The Zoning Administrator, from whom the appeal is taken, certifies to the Board of Zoning Appeals,

After the notice is filed with him/her,

That by reason of facts stated in the application, a stay would, in his/her opinion, cause imminent peril to life and property.

In such case, proceedings shall not be stayed other than by

A court of record on application,

With a notice to the Zoning Administrator from whom the appeal is taken.

Before holding the Public Hearing, notice of such hearing shall be given in one or more newspapers of general circulation in the Village at least ten (10) days before the date of said hearing.

The notice shall set forth the time and place of the Public
Hearing, and the nature of the proposed appeal.

Before holding the public hearing, the following shall occur:

3. Whether the essential character of the neighborhood would be substantially altered or whether adjoining properties would suffer a substantial detriment as a result of the variance.

4. Whether the variance would adversely affect the delivery of governmental services (for example: water, sewer, garbage).

5. Whether the property owner purchased the property with knowledge of the zoning restriction.

6. Whether the property owner’s predicament feasibly can be prevented through some method other than a variance.
