On behalf of the Genoa Police Department, I would like to remind the community of several rules and ordinances which must be followed as the summer approaches:

- | | |
|-----------------|---|
| Curfew | Anyone under the age of 14 must be off the street by 10:00 P.M., while young people between the ages of 14 – 17 must be home by 11:30 P.M. |
| Junk Vehicles | All vehicle parked on resident's property must be in "running" condition and have valid license plates. |
| Trailers, RV's | No unattached trailers, including boat trailers and rv's, may be parked on the village streets. |
| Grass Clippings | Please mow your clippings away from the street and not into the roadway where it can block the sewers causing potential flooding and stresses on the sewer system. |
| Fire Pits | Fire Pits must be used at least fifteen feet from any building or structure. |
| Bill Posting: | You cannot hang garage sale signs on trees, fences, utility or traffic poles, as well as the placement of any signs in the village right-of-way along the roadway is also prohibited. |

These laws and rules are for the safety of everyone. If you have any questions or concerns, please Contact your police department at 419-855-8515.

Chief Brad Weis
