GENOA MERCHANTS MEETING

Attendance: Dave Grosjean, Barb Flietz, Jean Holcombe, Ken Harsanje, Cheryl Grosjean, Mitch Hoyles, Rhonda Mullins, Chief Brad Weis, Sgt. Todd Mocniak and Marsha Lee

The Car Show was very successful. The weather was great. Mayor Harsanje reported there were over 200 cars. It was moved from Tuesday night to Wednesday because of threatening weather on Tuesday. Thank you to Mr. Keaton for his involvement in the car show. Trophies and more monetary prizes were awarded. The car shows are growing and we hope this will carry on to next year. There was a great turnout of people to set up and register cars. As a note, all the T-shirts were sold out.

Jean Holcombe from Genoa Bank reported the new bank in Port Clinton is progressing.

The old Hour Glass met with the Design Review Board concerning their awning and it was approved to erect a new awning.

The new Coffee Shop on Woodville Road has not set an opening date yet.

Mayor Harsanje attended a meeting in Port Clinton with Commissioner Mark Stahl and Nate Kehlmeier concerning the DART program in Ottawa County. Mayor Harsanje and the Port Clinton mayor Hugh Wheeler are committed to back the program. The program has made silhouettes of eighteen persons that have died of overdoses in Ottawa County. They will be displayed at football games throughout the county through the coming year.

Remember the upcoming benefit at Rayz on the 16th of September. It will be a Hog Roast to benefit the Genoa Police Department. Serving will start at 11:00am. The Car Show will be from 12:00 to 3:00. The Redneck Tractor Pull will start at 1:00PM. Come support our Police Department.
