

ARBOR DAY Tree Celebration

April 12, 2018

Dear Residents,

The Village of Genoa will be participating in the celebration of Arbor Day, and we will be observing it on Friday, April 27, 2018 at 6:00 p.m. by planting a tree at the entrance of the park before the Baseball & Soccer fields.

The Mayor and Genoa Council urge all citizens within the Village of Genoa to celebrate Arbor Day, and to support our efforts to protect our beautiful trees throughout our village. We want our citizens to join with the Village in this celebration of planting of our trees to gladden the hearts and promote the well-being of the future generations.

By many requests through the years the Village has set up a Tree Memorial Fund for anyone at any time who wants to donate to honor their loved one or in their memory.

If interested we "Thank YOU" in advance for helping us to promote our tree program that has been very successful in providing a wonderful canopy of trees throughout the years. So many of our residents have worked hard in volunteering to make this happen and we are grateful.

Please see or mail your donation to our Village Fiscal Officer, Julie VanNest at our Administration Building @ 102 E. 6th Street, Genoa to make your contribution for our Arbor Day tree.

Sincerely,

Mayor, Ken Harsanje Sr.
