

SPONSORSHIP INFORMATION

The Genoa Area Chamber of Commerce is once again busy planning this year's annual Homecoming Celebration to be held on Friday, May 31 and Saturday, June 1. Our goal, as always, is to provide wholesome family entertainment, encourage togetherness, patriotism, and good old-fashioned fun.

This year our Homecoming Committee has chosen **AHOY GENOA!** as our theme. We will be "**Celebrating life above and below the water.**" Think boats, think Lake Erie, think pirates and maybe sea monsters!

Festivities will begin Friday evening with our annual Grand Parade, which will include high school bands, floats and area organizations. After the parade, amusement rides will be running, cheese curds will be frying and refreshments will be flowing in the beer tent while 56Daze entertains with live music.

Saturday's activities include a 5k Run, garden tractor pull, home run derbies, a cornhole tournament, a wine tasting, a car show among other activities scattered around our beautiful Veteran's Park. At dusk, Pyrotecnico will once again dazzle our eyes with their spectacular fireworks display. Attached is a tentative calendar of events.

As you might imagine, sponsoring an event of this size is quite expensive. We are asking for donations to help us put on this special event for our Village. We understand that this event can only take place with the generous support of our community. **Your support is greatly appreciated** and we look forward to continuing the great Genoa tradition that is the Genoa Homecoming.

Sincerely,
Genoa Homecoming Committee

Brian Huston, Chair

Amanda Suckle, Parade Chair
